Dear Publicist:

I'm very pleased to announce that the January 2011 issue of our online book review magazine "Small Press Bookwatch" features "Breastfeeding in Combat Boots". A copy of the review is enclosed for your files.

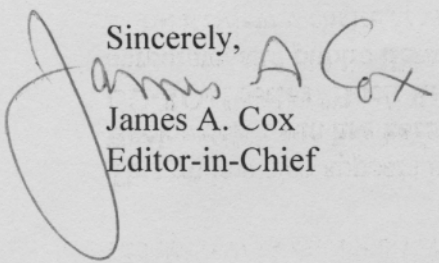

This review also appears in the January 2011 issue of our online book review magazine "Internet Bookwatch"; and has been posted with the Cengage Learning, Gale interactive CD-ROM series "Book Review Index" which is published four times yearly for academic, corporate, and public library systems. Additionally, the review will be archived on the Midwest Book Review website at www.midwestbookreview.com for the next five years.

Assuming your book is registered with Amazon.com, I've also instructed our webmaster to post the review there as well.

Incidentally, although our bylaws prohibit accepting money from authors or publishers (in order to avoid any conflict of interest issues), we did amend them to allow authors and publishers who wanted to make a gesture of support and appreciation for what we try to do here at the Midwest Book Review in behalf of the small press community to donate postage stamps "for the cause". So if you'd like to donate some stamps to the Midwest Book Review, feel free (but not obligated!).

I look forward to your next title!

Sincerely,

James A. Cox
